

Because tomorrow belongs to *all* of us and we want ideas from our youth, too!

DIRECTIONS

1. Print out the following page or use your own blank digital canvas or sheet of paper.
2. Have your child or student finish the “My idea for The Next 10...” statement by writing, drawing, painting or creating a collage of an idea or something they hope to see in the future of their community.
3. Scan or take a picture of their idea with your digital camera or mobile phone and **email it to info@tn10.org by Sunday, November 15th. Be sure to include their Name, Grade and School with the submission.**
4. Come out and see the drawings projected at the final The Next 10 Pop-Up event the week of November 16th, we’ll send you the details!
